

**‘This is Something I have to do, right?’
Defining Moral Caregiving for Mental Illness in Japan**

Dr. Ellen Rubinstein

Postdoctoral Fellow

Medical and Psychological Anthropologist

BIO: Ellen Rubinstein is a medical and psychological anthropologist whose ethnographic research spans psychiatry in Japan and primary care in the United States. Her research interests include narrative renderings of psychiatric experiences, the therapeutic role of multifamily support groups, and discourses of curability and care in populations deemed incurable. She is currently Postdoctoral Fellow in the Department of Family Medicine and Community Health at Rutgers Robert Wood Johnson Medical School.
